

LONESTAR ENDODONTIC
ASSOCIATES, P.L.L.C.

Why are you here?

You have most likely been referred to us for a root canal or at least an evaluation for a root canal. In order to locate and treat the correct tooth or teeth, however, we need to know a little more about your reasons for seeking treatment.

Please answer the following questions to the best of your ability. If there is something you don't understand, we will try to help you.

First write in your own words, why you are here. Then answer the questions.

1. What area(s) of your mouth are involved? (circle all that apply)
Upper Lower Front Upper Left Lower Left Upper Right Lower Right
2. Do you have pain now?
3. Have you had pain in this area before? Yes No For how long? _____
4. Do any of the following make your tooth (teeth) hurt:
Hot Food or Liquid Cold Food or Liquid Chewing Exercise
5. Do any of the above make your tooth (teeth) feel better? Which _____
6. Have you ever
Been in an accident in which your teeth have hit together with force?
Been told that the tooth or teeth you are here for is cracked?
Had a root canal on this tooth or teeth before?
7. Do you have
A bad taste in your mouth
Drainage
Swelling
